

Terms of Use and Instructions for *Enhanced* Version

Constructing Chemistry

By Jason Neil © 2004

Our hope is that the Constructing Chemistry lessons will benefit your students and help you to teach chemistry more effectively.

The classroom teacher who purchased the set of masters on CD-ROM from www.ChemistryInquiry.com is licensed and has full permission to print and copy ChemQuests 1-55 and Skill Practice 1-55 for classroom use with his/her students. Permission is also granted to print and photocopy answer keys. Permission is granted for one classroom teacher to photocopy these lessons for use in his/her classroom only.

The contents of this CD-ROM are copyrighted. They have been licensed to the classroom teacher who purchased a license from www.ChemistryInquiry.com.

The Microsoft Word versions of the files may be edited by and for the use in the classroom of the teacher who has purchased this CD-ROM only. The copyright notices in the footer (bottom) of each page must remain intact and unedited.

The classroom teacher may make one copy of the files on this disk as a backup copy. No one else is authorized to copy the files on this disk without written permission from www.ChemistryInquiry.com. No one may distribute any of the files without written permission from www.ChemistryInquiry.com.

If you are unable/unwilling to be bound by the terms of this license, please return the product for a full refund. (We are unable to refund shipping costs.)

Adobe Acrobat Reader software is available as a free download from <http://www.adobe.com/products/acrobat/readstep2.html>.

Thank you very much for your purchase. I hope these lessons are a help to you as you continue to strive to be the best chemistry teacher you can be!
